

# Welcome

Here at *That Hipster Café*, we know the struggles of college life. Our café was made for the sleep deprived college students of the world, those that have the eternally baggy eyes and concistently wear their Batman onsies to class. We are here for you.

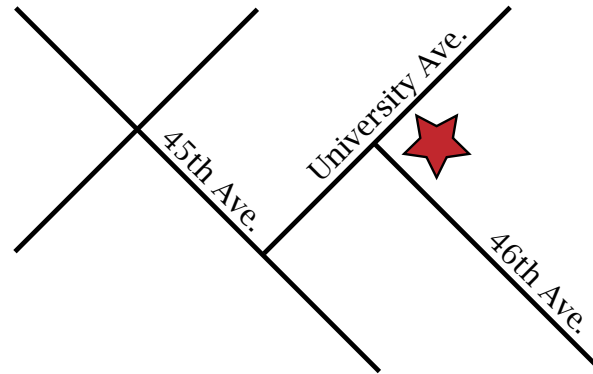

We pride ourselves on our relaxing atmosphere and affordable-for-broke-college-students prices. We also provide free wifi for those extensive study days and impossibly long assignments.

A night owl? Don't worry, we understand. Our location is open 24/7 to accomodate you and your vampiric tendencies.

We hope to see you through your trying years as a college student.

Cheer up! Caffiene is here!
