

Kahoot Request Form.

What is Kahoot?

Kahoot is a great engagement tool to conduct quizzes or trivia and works well in person or virtually.

NOTE: If you do use Kahoot as a polling tool to gather feedback, remind everyone that there is no “right answer” even though Kahoot requires you to select one. You must record your results at the end of the Kahoot as you will not be able to go back to them later.

Kahoot Request Form.

Event Name:

Event Date & Time:

Who will be hosting your Kahoot? (i.e. reading/explaining the questions)

NOTE: A team member can assist with sharing their screen during a meeting to help run the game.

What questions would you like in your Kahoot? There is a maximum of 4 answer options for each question. Please keep your answers brief. Note which answer is the correct one. Please note of which answer is the correct answer. Add as many questions as you'd like using the format below.

1. [Question 1]
 - a. [Answer 1]
 - b. [Answer 2]
 - c. [Answer 3]
 - d. [Answer 4]

Pictures: Copy and paste any pictures (or links to pictures) you would like to use below. Please indicate which picture should be used with which question – there is a limit of one picture per question.

Additional Information: Please put any additional information you have for your request below.
